Why MGSM?
MGSM belongs to a culture of inspired and unconstrained thinking at Macquarie University and in a global perspective to help shape the complex issues of the future of business. We have a long history of collaboration and partnerships with business, government, and educational institutions across Australia and on a broader international scale.

Calibre of expectation:
• We partner with companies, governments, and not-for-profits from around the world to impact positively on society.

Established reputation:
• MGSM has more than 25 years experience of working in partnership with our clients to develop unique executive education programs that inspire leaders, change cultures and transform organisations.

Engaging learning support:
• We design and deliver programs that engage people in their personal development.

Optimal student to facilitator ratio:
• Class sizes enable individualised support, tailored to your skills and background.

We enjoy rich partnerships through:
• A diverse and expansive curriculum.
• Access to excellence.
• Connections with world-class institutions.
• Collaboration with like-minded people.

Why MGSM?
MGSM Executive Education builds quality leadership and management capability to meet the needs of both organisations and experienced individual professionals.

MGSM Executive Education has a long history of partnering with our clients to develop unique executive education programs that inspire leaders, change cultures and transform organisations.

We partner with companies, governments, and not-for-profits from around the world to impact positively on society.

How we work with individuals

Our comprehensive portfolio of open programs gives you the opportunity to further develop your leadership and interpersonal skills with a myriad of options. Ensured by academics and industry practitioners our programs are designed to help you discover new ways of thinking, learn new skills, but new approach to a safe learning environment, and apply practical tools back in the workplace.

How we work with organisations

Custom programs are designed specifically for your organisational needs and can be delivered at your place of work or at a suitable third party venue. We work in partnership with you to design programs that develop the leadership and management capability your employees need to navigate today’s rapidly changing world. Custom programs can include single or multiple units of the MBA giving participants the opportunity to articulate into our globally recognised MGSM MBA.

Testimonials

"It was a great opportunity to get involved with the program which had a positive impact on our work environment, and to see how we can make the most of our experiences outside of the classroom."

EPILOGUE

Head of IT

"Very practical and real-life business strategy, business negotiations, marketing strategy, leadership, and team development. I have used the skills in my daily work and I can see improvements in my sales figures. I recommend this program to everyone except for my boss!"

EXPERT OPINION

General Manager

"This has been a wonderful and rewarding week. It has given me a new, holistic view of how to think about issues and challenges. I have returned to my company with a different perspective and attitude towards my work and I don’t want to change anything."

EXPERT OPINION

General Manager
